Reporting Other Teams Breaking Safety Rules

We will have race officials out on the course monitoring teams for safety and adherence to all rules. However, with the size of the course we cannot be everywhere at once. We are asking teams to help us keep the course safe by reporting teams that are violating any of the listed rules. To report violations:

Send a text message to 541-786-5245 or 541-805-9881

Please include the **Who, What, Where, and When** in your text message. You can use this number to keep us informed. Send text messages if you see improper signage, unsafe conditions, if you become lost, etc.

If you are in a situation without cell service, please log the requested info and either turn it in to a race official or text when you have cell service. *Do NOT turn this information in to a transition volunteer.*

Sexual Misconduct / Misconduct

We want to provide a safe and healthy event environment for every person involved in this race. If you witness behavior that is clearly illegal, unsafe, or abusive in any way please report who, what, where, and when to a race official either via text or in person and local law enforcement. This misconduct includes but is not limited to staff, volunteers, races, and coordinators.
